

Financial Services and Fees

I am often asked how much we charge to prepare Cost Reports
My answer isIt depends.

- Are your bank accounts reconciled? **You would be surprised!**
- Are your books on the cash or accrual basis on accounting?
- Are wages, travel and contract labor broken out by department?
- Is accrued wages, accounts payables and depreciation recorded?
.....You get the idea.....It depends..... So here is a range

Our Fees Range Between \$1,500 and \$3,000, Averaging \$2,150

Some of the Medicare/Medicaid/DADS Cost Reports We Prepare Include:
